

Resource type	Title	URL	Station
Rich example	Quadratic grids	https://undergro	Quadratics
Building blocks	Which quadratic?	https://undergro	Quadratics
Food for thought	Scary sum	https://undergro	Thinking about Numbers
Review question	Can we find the three inequalities that define this region?	https://undergro	Geometry of Equations
Review question	Can we solve these simultaneous equations that involve reciprocals?	https://undergro	Quadratics
Package of problems	Name that graph	https://undergro	Quadratics
Review question	Can we find the equations of two circles that touch another?	https://undergro	Circles
Building blocks	Gradient match	https://undergro	Introducing Calculus
Fluency exercise	Multiple manipulations	https://undergro	Thinking about Algebra
Resource in action	Teddy bear - teacher support	https://undergro	Circles
Package of problems	Teddy bear	https://undergro	Circles
Review question	When are these quadratic inequalities true together?	https://undergro	Quadratics
Building blocks	A tangent is ...	https://undergro	Introducing Calculus
Review question	When are the coefficients of a quadratic equal to its roots?	https://undergro	Quadratics
Many ways problem	Two-way algebra	https://undergro	Thinking about Algebra
